Trinity Grammar School, a leading independent Anglican school for boys, is based at Summer Hill in Sydney's thriving Inner West.

Our mission is to help boys discover their innate talents and unlock their full potential within the context of a supportive Christian environment. We have guided boys to grow in mind, body and spirit for over a century and we know what boys need to truly flourish and succeed.

Trinity has forged a reputation for excellence in academics, sport and the creative arts and has an extensive curriculum. Boys can access demanding, challenging courses that promise real academic accomplishment, whether it be through the IB, HSC or vocational education.

SCHOLARSHIPS ON OFFER

A number of Scholarships for entry into Year 7 are awarded each year. These include:

- **Academic scholarships** Remission of tuition fees (whole or part). Although academic excellence is pre-eminent in the awarding of the scholarship, it is not awarded on academic excellence alone.
- **Music scholarships** Remission of tuition fees (whole or part). Awarded to boys with outstanding musical ability (either instrumental or choral), for entry into the Trinity Academy of Music.
- **Trinitarian and Alumni scholarships** Remission of tuition fees (whole or part). Awarded to boys with all-round abilities. The type of academic, citizenship, sporting and co-curricular contribution that a boy may offer the School is considered.

In addition Trinity offers a number of Year 10 Scholarships each year for boys of an all-round ability.
