MLC School is an independent, non-selective Uniting Church school for girls from Pre-Kindergarten to Year 12 in the Inner West of Sydney. 130 years ago, our founders had the revolutionary goal of preparing girls for university, and MLC School remains at the forefront of this today. Our rigorous approach challenges students to be fearless thinkers with the courage to grasp innovation, take measured risks and make a difference in their lives and the lives of others.

At MLC School, we embrace every girl's individual characteristics, and are proud of the culturally diverse population they form. Our graduates are prepared for a life of learning, empowered with a fundamental optimism, multiple perspectives and a questioning mind-set.
