ST ANDREW'S
CATHEDRAL
SCHOOL
FOUNDED 1885

St Andrew's (SACS) is a dynamic, independent Anglican school located in two high-rise buildings in Sydney's CBD. With innovative learning spaces and an emphasis on quality teaching, our urban location presents innumerable opportunities for students to engage beyond the classroom; with city museums, concert halls, theatres, state and national institutions and galleries.

SACS has created innovative learning environments that encourage a passion for learning and a culture of participation across sport, music and the performing arts. Offering the Higher School Certificate (HSC) and the International Baccalaureate Diploma Programme, our performance in public Australian examinations, along with the impressive "student gain" statistics that track the academic results of students throughout their journey at SACS, provide evidence of an exceptional culture of learning and teaching at our school.
